

## EXHIBIT B: SUPPLEMENTAL INFORMATION FOR CONTRACTS THAT UTILIZE PII

### BILL OF RIGHTS FOR DATA PRIVACY AND SECURITY - SUPPLEMENTAL INFORMATION FOR CONTRACTS THAT UTILIZE PERSONALLY IDENTIFIABLE INFORMATION

Pursuant to Education Law § 2-d and Section 121.3 of the Commissioner's Regulations, the Educational Agency (EA) is required to post information to its website about its contracts with third-party contractors that will receive PII.

<b>Name</b>	Artsonia LLC
<b>Description of the purpose(s) for which Contractor will receive/access PII</b>	<p>Artsonia is the world's largest online student art museum, offering a free, educational resource to schools, teachers and parents. Art teachers publish student artwork to the school's online gallery, creating a digital portfolio for each individual student. This enables teachers to explain what the student has learned and what methods were used in the creative process. Teachers also help get the parent connected to the student portfolios, which enable the parents to unlock additional features of Artsonia.</p> <p>Parents may decide to allow Artsonia to display their child's artwork in the school's public online-gallery for other family members, friends, and art appreciators to enjoy. Parents may also upload artwork created outside of school to the student's portfolio. Artsonia doesn't display artwork to the public unless it has parental consent and a teacher or parent has verified that the artwork does not contain PII. Parents know and agree that their child's publicly available artwork will be associated with the student's school and a unique screenname generated by Artsonia. If the teacher or parent determines that there is personal information and does not mask or remove it, then the artwork should not be made publicly available. Instead, it should only be viewed by teachers at the student's school, the student's parents, and fan club members that the parent has authorized for the student.</p> <p>Parents, family members, friends, and other art appreciators may purchase keepsakes from our gift shop with a student's publicly available artwork on the item. Parents and parent-authorized fan club members are able to purchase keepsakes with their child's private artwork as well. Twenty percent (20%) of all purchases are donated back to the school's art program. Parents and students also have the opportunity to participate in additional activities, including special exhibits, art contests and other art-related events.</p> <p>Artsonia notifies the parents, family members and friends of the student-artists when new artwork is available and invites them to browse the school gallery. We also let our users know about other aspects of our service, such as our gift shop, sales, products, shipping information, website features, events, updates, contests, exhibits, and general information about Artsonia.</p> <p>On Artsonia, participating art teachers also have the opportunity to share project ideas, post and view lesson plans, participate in art contests and events, and make other community-based connections with fellow art teachers.</p>
