In addition, new this year, the Student Helpdesk will hold summer “office hours” at Eastridge High School (Tuesday, Thursday from 8 am to Noon) beginning July 7<sup>th</sup> to address any device related issues your student may have over the summer. This includes, device breakage, device not charging or working properly. Social distancing guidelines will be in place and anyone entering the building will be required to wear masks.

We encourage parents to purchase the Device Protection Plan which will provide coverage when your child brings their device home. Payment using a credit card, prior to picking up the device, is highly preferred. You may pay in advance at the following website: <https://eicsd.revtrak.net>. If this is not possible, a check, money order, or cash will be accepted at the Main Offices of each building over the summer. Social distancing guidelines will be in place and anyone entering the building will be required to wear masks.

Sincerely,

Mary Grow

Superintendent of Schools
